"Ad" your voice to ours...

Advertising your business or organization in an eVoco program book is an effective way to get your message out to a highly responsive audience.

In fact, according to one recent survey, patrons of the arts are:

- Educated—twice as likely to have a college degree
- Affluent—55% more likely to have an income in excess of 100k
- **Established**—88.6% are homeowners (Source: Elliott Marketing Group, Inc/smart database Study 2011)

Advertising with eVoco makes smart business sense; our concert audiences are your target audience. And you get the satisfaction of supporting your local arts community in the process.
